4th BABN Contract (1886-1892)

Chris Ryan, “Canadian Revenue Newsletter”, No. 41, March 2003

“The 10 pound rectangular “Cavendish” blue stamps were withdrawn from use by 1888, presumably because they had been redundant from the time of their introduction in 1883. The BABN records indicate that this stamp was produced only in black **RM-310** and in blue **M-384 / 385**”.

Prior to the introduction of the ‘coupon’ stamps, on July 1st 1883, the Department had added a ten pound denomination to the ‘coupon’ stamps, and thus undercut the usefulness of the 10 pound ‘Cavendish’ stamps.

Chris Ryan - by e-mail - June 2nd 2003

“The 10 pound Cavendish stamp would have been used only on 10 pound packages. Until the introduction of the five pound coupon-stamp, packages of pressed tobaccos, under 10 pounds, were not permitted - as of July 1st 1883.”
